2013 starts in much the same way 2012 did: With unbounded optimism at another year of incredible *Club International* babes to come. This issue we have delightful debutantes, the return of a *Club* legend, a luscious centrefold, four British babes and not a duffer in sight. It looks to us like crowning the girl of 2013 is going to be bloody hard work, so in the meantime why not get over to page 26 and tell us who floated your boat in 2012. Dear Club,
I'm thirty, in my sexual prime, and at the moment one man just isn't enough for me. Despite being in a relationship, I have started to fuck my married boss and each time we get together it's like he's desperate to try something new, which is perfectly fine by me! The first time I let him do me anally, his face was a picture of delight – you could tell he couldn't believe his luck. Recently he asked me if I'd tried threesomes and I told him that whilst I hadn't, it was something I was well up for. I was more than happy to taste a woman for the first time and, anyway, it was very difficult to say no to my boss.

The other week he booked me in for an appraisal in his office during the final hour of the day. As everyone filtered out of the building, we kept talking under the pretence of work, until they'd all left. "Do you remember when I asked you about the threesome? Are you still up for it?" I nodded, wondering who the other girl would be and where she was. A couple of minutes later, the door handle turned, and two guys walked in, both of whom I recognised from another department. I looked at my boss quizzically. He just smiled and started undoing his trousers. He pulled his dick from his pants as the guys approached me.

Before I had time to say, "I thought you meant a girl?" I felt a pair of hands cup my tits from behind. They were young guys, and both good looking, and instantly I thought this is better than I had even hoped for. It was clear that my boss wanted to watch as he had sat back in his leather chair, so I was determined to give him a good show.

With one guy undoing my bra from behind, the other was in front unzipping his flies, so I pulled him towards me and took his trousers down myself. Taking his dick out, it was still only semi-hard, so I put my mouth around it straightaway, letting it grow between my lips. My hands felt round for his firm arse and as I sucked his now rigid pole, I pushed my finger slightly into his anus, making his cock flinch and pulse in my mouth.

My tits were now hanging out over my bra, and I could see my boss tossing himself off at the sight before him.

Soon I had another dick to wank, as I deep-throated the first one. It felt amazing, like I was in a porn film. I took a dick in each hand, still sitting in my chair, and worked each one as fast as I could. Dragging the guys closer together, I carried on doing this over my extended tongue, taking it in turns to close my mouth around each length. The guy who I had been sucking the longest took my hand and lifted me from the chair, bending me over the corner of the oak desk. The other cock was still in my mouth the whole time. He pushed my thighs apart and began to open up my pussy lips with his thumbs, until I was splayed out in front of him, still sucking his friend like a total whore.

I felt what must have been his two fingers push their way into my already sodden entrance, soon followed by the head of his penis. I had never been fucked from both ends before, and he was soon thrusting into me without any hesitation whilst his friend let me suck just his bell-end between my cheeks. Holding it firmly at the base, I then began to circle my tongue under the foreskin whilst I was being pumped hard from behind. I had to hold on to the desk with my other hand as I was getting such a good fucking and was so hungry for the dick in my mouth that I wasn't going to be satisfied until I had it all over my face.

I held the length of the prick across the side of my face – in full view of my boss – and poked my tongue from the corner of my mouth and dragged it all the way up it. He had to briefly turn away and

STOCKING THRILLER!

Dear Club,
For Christmas, I imagine my wife will buy me a fucking *Downton Abbey* boxset. A show I can't stand, but which she loves, and she'll watch it herself. Normally this would piss me off, but I'm going to console myself with the new issue of *Club*, and a huge xmas wank over my favourite girl, Danielle Maye. If only she was wrapped up and under my tree. With some breathing holes, obviously…
Sean, Sale

A present couldn't be more pleasant than one that's Dani shaped, Sean. Unfortunately, the Club office xmas tree was a bit sparse this year. Socks, a Michael Buble CD and some After Eights. We're cancelling Secret Santa next year.

ANNELI RETENTIVE!

Dear Club,
Lovely to see a few more British girls in the latest *Club*, but I'll be honest and say that my favourite photoshoot was actually of Anneli. She, for me, sums up the archetypal *Club* girl. Natural, fresh and beautiful. Let's have more al fresco sets of her soon, and I'll keep on being a *Club* reader.
Charles, Gloucs

Thanks, Charles, we'll pass on your admiration to the lovely Anneli – don't forget to vote for her in the Girl of the Year poll (page 26). We're hoping to shoot some lovely outdoor stuff in Europe in the new year, and we'll definitely add Anneli to our list!

grip his dick to stop himself from coming, as I panted my approval at the rhythmic pounding I was receiving from behind. I motioned with my head that I needed my boss's dick as well, and he staggered towards me, his trousers around his ankles.

His foreskin had barely touched my lips when he shot his wad against my tongue. Opening my mouth wide, I took it mostly in my mouth and some against my cheek as I held the other dick away from my face. My own orgasm had begun to take hold, and I was pushing back hard to feel it as deeply as possible.

I then felt the second load of cUM surge through the cock in my hand, and squeezing the base I sprayed it over my neck and tits as I arched my back, whilst still shaking from my own climax. The two spent guys then watched as the guy inside me rode me to his own orgasm and drenched my arse with jizz. I loved to be covered in cum by my boss, but three loads was something else entirely!

I guess our affair had taken on a whole new dimension, as when he'd asked if I was up for a threesome he didn't know I was more than happy to take more. The next time, I'm hoping that the girl I was expecting this time turns up as well!

Club's ROUGH GUIDE

The Olympics! The Paralympics! Le Tour De Wiggins! The Ryder Cup! And so on... So how do you follow that? Well, the world of sport keeps turning, and there's plenty to look forward to in 2013. Matt Loxham previews the big events of a year that might actually only be a bit of an anti-climax...

The Ashes

Various venues around the UK – July and August

So the weather's shitty and cold, and a summer of first-class cricket seems a long, long way away, but before we know it the Ashes series will be upon us. Well, that's what I keep telling myself, anyway. I can picture it now, sunshine, beer, and England giving the Aussies a firm kicking on the freshly-mown cricket pitches of Blighty. Okay, maybe I'm getting a bit carried away – the sun might not be shining all of the time.

Bravado aside, on paper this is shaping up to be a seriously competitive Ashes clash. Having won the last two meetings and with the bonus of home advantage, England should go into the first test firmly on the front foot against an Australian side desperate to win back the famous little urn that they pretty much owned in the 90s and early noughties. Both teams are currently neck and neck in the test rankings and chasing South Africa for the much-coveted top-spot and then, of course, there's the small matter of one of the biggest rivalries in the sport to consider. Exciting stuff.

As legendary cricket commentator Henry Blofeld might not say, which team prevails over the five test series is anyone's fucking guess. Much will rest on the shoulders of the captains, and England fans will be hoping their new leader, Alastair Cook, has got the mettle to handle the tactical pressures of an Ashes campaign and that those pressures don't interfere with his form with the bat – Cook was named 'Man of the Series' for his match-winning displays down-under in the most recent Ashes series.

Similarly, Australia will be hoping that their combative leader, Michael Clarke, doesn't lose his head – and heavy-scoring batting ability – in the midst of the mayhem. His only experience of captaining an Ashes side came as stand-in for the injured Ricky Ponting in the 5th Test back in 2011 – Australia lost very badly. Let battle commence! Six months and counting...

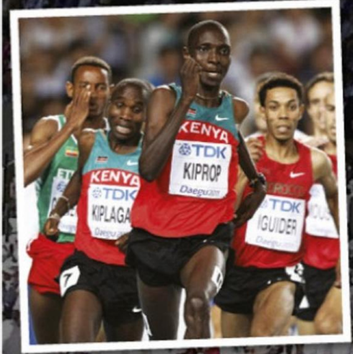
Athletics World Championships

Moscow – 10th – 18th August

How did you get over your Olympic hangover? I used masturbation and Kestrel super strength lager to help me through those long, barren, sporting gloryless days post-London, but that's just me. Some turned to religion, others to Prozac, and a handful even sought out sports clubs and volunteering opportunities in their local area, but how do the athletes themselves cope? Where do they find the motivation to return to a gruelling training regime and compete in the smaller events after experiencing what may well be the biggest shindig of their sporting lives?

Well it's been proving to be a bit of an issue for some of our Team GB heroes so far, with several members of the cycling squad struggling for peak form – and in certain cases ending up sliding down across the velodrome on their arses – at the recent World Cup in Glasgow. Even the mercurial Bradley Wiggins has had a rough ride since winning gold in the individual time trial. He got the shits during the Tour of Britain back in September and then got knocked off his bike in a practice ride.

While some egos and bodies might be bumped and bruised, at least the cyclists are back in the saddle with Olympic hangovers flushed well and truly out of their systems. The British track and field athletes – also responsible for some of the iconic moments of the London Games – have got all the hard work to come.



Happily for the likes of Mo Farah, Jessica Ennis and Greg Rutherford, when they return to serious training there'll be the massive incentive of having a World Championships to

prepare for; the second biggest date on the athletics calendar. Winning gold at the Olympics is all well and good, but if a track and fielder wants to be counted amongst the very best then they have to gather gongs at the sport's flagship event. Carl Lewis, Michael Johnson, Haile Gebreselassie, Merlene Ottey, Allyson Felix, Usain Bolt... all these legends have multi-medalled at the World Champs, and Farah, Ennis and Rutherford will be looking for winning performances in Moscow to help elevate them up towards this pantheon of greats.

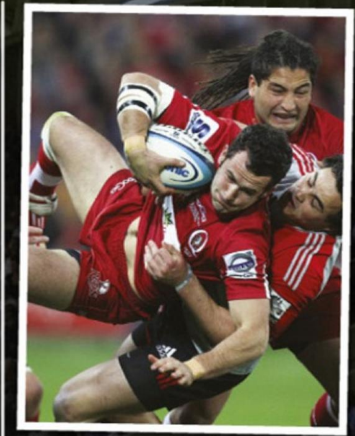
On the flipside, Brits who flopped at the Olympics such as triple-jumper Philips Idowu, hurdler Dai Greene and pole-vaulter Holly Bleasdale can use the incentive of a World Championships to get their careers back on track. For these athletes the return to training will no doubt be a blessing. Regaining confidence, maintaining focus and remaining injury-free will be the big challenge.

Rugby League World Cup

Various venues around England, Wales, Ireland and France – October 26th to November 30th

Rugby League is a sport on a mission, battling to boost its national profile and win a place in the hearts and minds of the British public. Despite its popularity up north, where the larger clubs enjoy average crowds of around 15,000, and the fact that the big finals can pull in up to 80,000 fans, Rugby League struggles to achieve the same profile on a national level as its rival on the other side of the code. The potential is obviously there, but for some reason home League internationals fail to attract anything like the same interest as home Union internationals, much to the bafflement of those who insist that Rugby League is by far the most exciting form of the game.

The 2013 World Cup is set to provide the sport with the perfect platform to show off its wares. Co-hosted by England and Wales – although several matches are scheduled to take place in France and Ireland, go figure – the tournament will see fourteen teams compete across four groups and a knockout stage in a bid to lift the trophy.



One issue with Rugby League is a distinct lack of competition at the top international level. England might be placed a clear third in the rankings, but they're a huge margin ahead of the cluster of teams below them, Wales, Papua New Guinea and France, and a similarly sizable margin behind second-placed New Zealand. Table-toppers Australia are pretty much out on their own.

The result is that internationals involving the better sides almost always go according to ranking. England frequently wallop the lesser lights but are equally as frequently walloped by the Aussies. The odd exception to the rule comes when England beat New Zealand, as they did impressively in their last meeting back in 2011.

> "England frequently wallop the lesser lights but are equally as frequently walloped by the Aussies"

The success of this World Cup from an English perspective will depend on their ability to upset the odds against the two teams above them in the rankings. More specifically, it will depend on England's ability to achieve the almost impossible and upset Australia – who they face in the opening game. For the sport as a whole, increased competition is key if League is to catch up with Union in the popularity stakes. Watch this space... ♣

A couple of months ago, Britain's own Samantha Bentley had only a couple of girl/girl scenes on her CV, and a reputation as a live dancer (as seen at one of our Paul Raymond parties). Now? Well, just watch this, where she appears in two scenes, sharing a dick with Valentina Nappi in one, both of them getting a right royal bumming, but then dropping back in to get DP'd by two of the biggest studs in the jizz biz. Seriously there's north of 20 inches of cock in her at once. Way to make a splash, Sam. Valentina gets the same two dicks in her wrong 'un in another scene. Stirring stuff. ★★★★

Score contract babe Christy Marks is one of the queens of the big tit scene, but her films don't always electrify. This is her best effort yet, the undeniably cute and all-natural Christy working her way through a variety of cockage in some all-new scenes. The blowjobs and sex are only so-so, but worth ploughing on through in anticipation of some tit-fucking, which is oh-so-worth the wait. There's a sprinkling of solo action as well, and some dirty talk, making this a complete package for fans of the girl voted model of the decade at Scoreland.

We're behind very few people in our admiration of the stuff put out by Viv Thomas –hell, we print his photos all the time – and while *Tides of Lust* is as professional as you'd expect, we can't help but feel it could use a sprinkling of magic dust. Perhaps we've just seen these girls – and these combinations of girls – a couple of times too often. The five girls – including the slightly too ubiquitous Jo – certainly seem to enjoy their sun and cum-soaked lesbian holiday, but for us this was just a little too formulaic.

The Lego series of video games – Star Wars, Harry Potter, Indiana Jones – have been a roaring success, but this outing tops them all. The gameplay is remarkably similar – simplish puzzles, hack and slash battles, platforming, stud collecting, hunting for the treasures and minikits – but when you get to relive all the major set-pieces of the film trilogy, you soon put that to the side. From evading the Dark Rider to battling at Helm's Deep, from navigating the Mines of Moria to exploring the Dead Marshes, it's all here. And as you unlock more and more characters, their special abilities come into play – Legolas' mastery of the bow, Gimli's axe, Sam's elven rope. Such an approach means that, even after you've finished the game, you'll want to do it in free play again to get at the bits and treasures you couldn't access the first time round. With all the dialogue and soundtrack spliced from the movies, yet leavened with the series trademark visual humour, this is a good game in its own right, but for fans of the films it's sheer joy and fun from beginning to end. Laurent Binet's novelistic re-telling of the true story of the assassination of Reinhard Heydrich by Czech resistance fighters is a little bit of a marvel. Rather than opt for a straightforward history, or a novelisation of the very real events, he takes a fascinating middle ground. He inserts himself into the story, delivering a first person view of something he didn't actually see, but sticking to real events as they unfold. Even when delivering conversations that probably never happened, he makes you aware of what he's doing. But even this tricksiness – which he pulls off superbly – doesn't detract from the historical import of the events. Brilliant.

THE PALE KING

When a feted author dies, there's usually a rush to hail everything he did as a masterpiece. One of the real shame of David Foster Wallace's suicide is that the fragments he left of this book give little clue as to whether or not this would have been one. It's interesting, has some brilliance, but didn't have the editing and rewriting processes so essential to an author like DFW. So it's more a curio, and not to be filed alongside the genuinely brilliant *Infinite Jest* and the peerless essay collection *A Supposedly Fun Thing I'll Never Do Again*. Given that the former took over 1000 pages to not even finish its story tells you all you need to know.

Those familiar with the wonderful film adaptation of this book will find it difficult to remove Michael Douglas' superb embodiment of protagonist Grady Tripp from their mind. And nor do they need to. While the book has depths to which the film didn't even aspire, the latter catches plenty of the raucous humour that is scattered throughout this wild send up of writing and academia. The procrastinating Tripp is taken out of the comfort zone that has allowed him to write over 2000 pages of an unfinished novel when his agent comes to visit, and he mentors a troubled student. Bursting with extravagance, zest and brio, this is a tremendous read. ♣

We write this, unaware of the final pricing of this tablet from Samsung. But rumours putting it around the £500 mark would mark it down a little, when you can get a fully featured iPad for that. That said, not everyone is into Apple or Android, and Windows fans might want to have a look at this, running Windows RT and at only 570g it's very portable. On the downside, RT doesn't have much in the way of apps, as of yet, and the screen, while fine, isn't really in the same ballpark as Apple's Retina displays.

Pros: Microsoft Office, portability.

Cons: Apps limited, camera features are lacking.

Just to show Samsung what they're up against, Apple arrive back on the scene with their giant money Hoover just in time for Xmas. For those who feel an iPad is too big and too expensive, this affordable 7" version still packs in all the features of the iPad 2, but fits in bags like a dream. The screen is lovely, the apps store is endless, the interface a doddle. So, not content with owning the large tablet market, they're now taking on the 7" market and taking a swipe at Kindles too. Just start a new world order, already.

Pros: It's an iPad, just smaller.

Cons: Apple don't do bargains.

Sony HX20V

When it comes to affordable point-and-click cameras that can go a little deeper if you're more than a sheer amateur, this camera takes some beating. The headline facts are great – 18mp camera, 20x zoom, full 1080p HD recording – but the compact yet rugged build and what's going on elsewhere make this exceedingly attractive. The in-camera options are generous, it records in stereo, its auto-focus is rapid. In short, there isn't much at this price point that can compete. Good to see Sony on their A-game.

Pros: Zoom, picture quality, recording, size.

Cons: Constant GPS use reduces battery life by 25%. ♣

"I've been in Cali my whole life," she tells us, "and I don't plan on going anywhere soon. We've got weather, beaches and the whole US porn industry here, why go elsewhere?

Porn? Are you dipping your toes?

"They're already dipped. I did some lesbian stuff, but I've done some boy/girl stuff now as well. I did a scene with Manuel Ferrara and he made me squirt which was my first time ever. But I gave him a treat as well. I don't think he realised just how flexible I am in bed!" ♣

So, Natasha Anastasia, can you explain why we haven't seen much of you in *Club* before? It doesn't make a lick of sense from where we're sitting.

"I really don't know," says the rising Brit babe with ambitions to edit her own magazine. "It just hasn't happened. Why don't we fix that? I'd love to share my naked body with the *Club* readers on a regular basis."

We think they'd like that.

"They'd better do! I want them to write me some letters about what they'd do to me!

She's got it covered...

Those who attended our recent Xmas party at Spearmint Rhino will have seen two *Club* covers blown up to 7 feet in height, both starring Sophia. Yep, this girl kicks ass on the cover.

"I'm going to be on the cover again, right? asks the Scottish sweetheart.

Not this time, we're afraid.

"What? I was getting used to it!"

Don't worry, it'll happen again. But we just thought it would be nice if we gave someone else the chance.

"Okay, just don't make a habit of it..." ♣

TALES FROM THE REAR!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

ARSE ONLY PLEASE!

In centuries past maiden virgins who wanted to save themselves for their husbands would traditionally take it up the arse before finally submitting themselves on their wedding night. I thought these days were well and truly over… but I was wrong!

I'm in my 30's and an advertising executive in London. About nine months ago a new girl joined the office. She was in her late 20's with the combination of innocent sweetness and overwhelming shyness. She was impossibly pretty too with long blonde hair and the fresh face of a teenager. It soon became apparent that she lived a very sheltered life and not much was going on for her sexually. This just made her all the more irresistible and I spent a good few hours imagining what it would be like to corrupt her.

One day she came to work very upset. It turned out a boy she was close to had let her down and she was now alone. She was grateful for my empathy, confessing to me, "I feel so frustrated, I'm 27 and I want to do what other girls do!" She blushed and I took it as my chance to say, "I can help you out if you let me." Minutes later we were on our way to my flat.

She was so shy that I realised the easiest way would be for me to get completely naked first. I took my clothes off and she got her first glimpse of my now engorged member. "Oh my goodness," she breathed, "it's just so huge!"

> "I eased my fingers into the gusset of her panties to get some hot juice to lubricate her puckered hole"

My poor cock was more erect than I could ever remember it being before, and it was so arousing to have it admired at such close proximity by such a pretty girl. She gingerly reached out and touched the shaft and pulled my foreskin back fully. Then leaning forward she began to softly lick the helmet. It was like a tickle from a feather it was so heavenly. She then tried to take it into her mouth, but that was too much for her and she blurted out, "Oh this is so wrong!"

For a few moments we were both silent. She looked angelic sitting there fully clothed while I was naked. When I thought it was impossible for her to surprise me any more, she announced, "I can't take my clothes off in front of you and I can't let you take me up the front passage." She paused, and then said quite confidently, "I want you to take me up the back passage!"

I was stunned, not even my most liberal girlfriends had allowed me this. She looked so awkward suddenly as she unhitched her skirt to reveal her skimpy white thong, which hugged her wet mound. Nervously she knelt down and pushed her cute arse up to me. She hadn't removed her thong but pulled the thin gusset aside just enough to reveal her tight little arsehole. "Please don't make take them off, just shaft me up there."

It was the most glorious sight, my fantasy come true. The most gorgeous girl kneeling in front of me with her bare arse in the air waiting to be taken. I put my hands on her buttocks and stretched her arsehole wide open. My head was pounding like a drill as I pushed a finger deep into her wet hole. It felt warm and dirty. I lent forward and started to lick around it, intoxicated by the heat and smell from her pussy below.

I eased my fingers into the gusset of her panties to get some hot juice to lubricate her puckered hole. "Oh please, just do it!" she sighed. I was in no hurry and it was such a thrill to tease and tantalise her tender virgin hole with my glistening helmet. She was in a real state. Her face was flustered as she furiously wriggled her bottom and tried to get me inside her. I decided to hold on as long as I possibly could and gently rubbed her

scalding clit with my index finger. After only a few seconds I could take no more. I pulled her arse as wide as I could and plunged my aching cock to the hilt.

She was so tight and she seemed to spasm around my dick. Her face contorted with into a strange mix of agony mixed with pure ecstasy. I started to really go for it then, pulling out and then ramming home again and again. She was fighting for breath and her whole body shook with pleasure. I took great pleasure looking down at my cock sliding in and out of her now gaping hole. I rammed harder and harder as she humped back onto my prick eagerly matching every thrust.

Moments later her whole body violently shuddered as a mighty orgasm tore its way through her. I too was at the point of no return and desperately wanted to paint my seed all over her innocent face. As I came to the boil I pulled out and kneeled over her. I confronted her with my throbbing dick. Her saintly face was a combination of delight and terror as she anticipated what was about to happen.

I exploded and blasted what felt like gallons of thick sticky spunk all over the fresh and lovely face of this young virgin. It felt amazing as I watched it splash all over her neck and hair too. She lay motionless for some minutes, spread eagled and panting with exhaustion. Her head was still swimming and her eyes tight shut. I couldn't resist kissing my way down to her hot soaking panties and pulling them aside, tasting her molten pussy.

Suddenly her modesty returned and, overwhelmed with embarrassment, she quickly jumped up and rushed to the bathroom to clean herself up. A few moments later, and consumed with shame, she left the flat unable to look me in the eyes. It was the same at work and although I didn't mention it to anyone, she never spoke to me again. A month later she left the company altogether. It remains the sexual conquest of a lifetime.

BUM LOVER

My boyfriend has made no secret of the fact that he loves my bum. I think he loves the rest of me as well, but I know he loves my bum – he can't keep his hands, or any other part of his anatomy off it. But even I was surprised by the latest stunt he pulled as we were getting ready for a posh night out.

"Can you just come down here for a sec?" Paul shouted from the kitchen.

"Can't it wait?" I called back, "I'm not dressed yet." In fact I'd just slipped into a pretty underwear set of black silk with white lace trim. I went downstairs and found him in the kitchen, looking pleased with himself. He was hiding something behind his back.

> **"I took great pleasure looking down at my cock sliding in and out of her now gaping hole"**

"What're you hiding?" I asked. He brought his hand into view and waggled a squeezable jar of maple syrup. "What's that for?"

"Starters," he said, smiling mischievously.

"What?"

"I'm going to lick it off you," he said, making a grab for me.

"No," I shrieked, backing away. "Don't you dare, you'll ruin my underwear."

"Best take it off then," he said, pointing the bottle at me with playful menace.

"Okay, okay," I said, holding-up both hands in surrender. I reached behind my back and unclipped my pretty bra and draped it over the radiator. Then slid my knickers off and threw them in his face, simultaneously turning tail and running into the hall.

"Oooh, you're so going to get it now," Paul laughed, giving chase. There was no escape and he had me cornered in the lounge in seconds. "No don't," I begged, as he wrestled with me. "The neighbours will see."

"You should have thought of that before you ran in here. I think it's time the neighbours knew just what a saucy little minx you really are." I wriggled as Paul pinned my hands above my head but in truth I wasn't trying to escape, not really. We both watched as a thick bulb of sauce stretched from the nozzle and dropped onto my chest. It was

> **“A grunt of effort escaped my lips as my bum stretched to accommodate the full girth”**

cold and the squeal of protest was genuine as he drizzled the thick liquor across my breasts, making sure to cover my shamefully erect nipples. He admired his handiwork for a moment before he leant forward and dragged his tongue across my left tit, clearing a straight line across my sensitive nipple. It was deliciously erotic and I sighed happily. He continued the upward motion, taking us into a sticky kiss.

“You taste, mmmm, great, sweetie,” he said, as he returned to licking and sucking my tits.

“You missed a bit,” I teased, twisting my right nipple towards his mouth. In fact, he’d done a very good job of cleaning me up… and turning me on. “Perhaps there are some other areas that need your attention?” I suggested, hoping that he’d lick my pussy. But as I said, my boyfriend loves my arse, and it should have come as no surprise when he flipped me over and pushed my face to the carpet. My submissive side took over and I let him push my shoulders down, leaving my exposed arse high in the air. We both knew what he was going to do and sure enough Paul squirted a thick dollop of syrup into the top of my bum cleft. It tickled as the blob oozed down over my anus and rolled down over my labia. Paul was there, his face inches away from my splayed bottom, watching for the perfect moment to lick it off me.

The anticipation of his tongue made me squirm with excitement. I stretched my hands out in front of me and arched my back, opening myself up as much as possible. He started licking me as the sauce reached my clitoris. His nose pressed into my buttock as he began licking and sucking me, arousing me in a delightfully sloppy and unique way. I squirmed as he sucked my labia and clitoris into his mouth to clean them. Paul’s oral technique is amazing but this was something else again – he had an objective and his tongue and mouth scoured the whole of my sensitive little fanny, digging into every nook and cranny, returning again and again to the sweet stickiness covering my clitoris. Even when his tongue left the confines of my pussy to service the wrinkled star of my anus, Paul’s mouth returned to my clitoris. I adored the way he did that, and knowing that my little bud was the focus of his attention had me digging my fingers into the pile of the carpet. When he was happy that I was free of stickiness, his mouth found my clit and didn’t leave it until I orgasmed.

“Fuuuck!” I screeched as the waves of ecstasy made my body quiver. “So good,” I groaned. “That was so good.”

“Don’t move a muscle,” Paul said, and I watched his feet as he dashed from the room and heard him run upstairs. He was back within a minute and I squealed as he squirted something else onto my bumhole. It was equally cold, but as his fingertips rubbed, I felt that it was smooth and slippery, rather than thick and sticky. I wriggled my bum from side to side as I realised what he was about to do.

“We can’t,” I protested. “We’re going out soon.” But he didn’t listen – and I didn’t really want him to. The worry and negative thoughts passed quickly; an arse-fuck would set us up nicely for the night. I liked the idea of going to a swanky hotel wearing my glad-rags with my bum throbbing from having being well-fucked. He slipped a finger inside my bum and gently massaged me, stretching my hole with every practiced movement. “Oh go on then,” I groaned, “but for god’s sake be quick.”

Paul moved into position behind me and forced the fat head of his cock inside my slippery bumhole. There was a brief moment of resistance, my muscular knot rebelling against the intruder, but it sank inside my bum with its usual satisfying ease. A grunt of effort escaped my lips as my bum stretched to accommodate the full girth but there was no question that I was enjoying having my tight little arsehole fucked again. I knew how much he loved it, how much he appreciated the way I had trained my arse to take him – unlike any of his previous girlfriends.

“Fits like a glove,” he sighed, having fed his cock all the way into me. He gripped my hips and started fucking me, each stroke dragging little gasps and whimpers of pleasure from my throat. Knowing that we had a time limit, he did it harder and

> **“My spasms induced Paul’s orgasm, which I felt as a warm stream of liquid flooding into my bum”**

faster than normal and I knew that my bum would be bruised and tender during the meal. I didn’t care about that as I reached back between my legs and started fingering my clit. It felt so good. I had been intending to tease myself but couldn’t resist my need to orgasm. Waves of depraved pleasure surged through my body and my spasms induced Paul’s orgasm, which I felt as a warm stream of liquid flooding into my bum.

“I’m going to need another shower,” I said, finally standing-up and stretching. My freshly washed body was already sticky and sweaty.

“You’ll have to be quick,” Paul called after me as I grabbed my underwear and headed upstairs. By the time I came down, I’d repaired the damage and looked more than respectable, although I couldn’t sit still at the dinner table. “Stop wriggling,” Paul said mock-sternly, gripping my leg. It was fun sharing the secret of what we’d been doing earlier in the night and when Paul started playing with his pudding, well, I knew exactly what he was thinking. I got goose pimples and wondered whether we had any ice cream in the freezer.

RIDE, SALLY, RIDE!

I’d been a good friend of Sally’s for a long time, as she was one of a whole group of us who hung out together at university. I’d never thought of her as anything further, and always presumed she was very prim and proper, because I’d only ever seen her have a couple of semi-serious boyfriends over the years. Whenever I used to try to get any information out of her, she was always discreet and prudish about divulging anything.

A couple of weeks ago, we went away for a weekend away together, as I was inbetween girlfriends and we both needed a break from the grind of our jobs in London. We’d decided to go to Amsterdam, as we knew we would both be happy in the cafes out there and there was plenty to get up to. We were so comfortable with each other that we cut down on costs by sharing a double room. At college we’d shared a bed before and nothing had happened. This time it did.

Staggering back into our hotel room in the early hours, Sally was teasing me about the succession of English and Dutch girls I had failed to successfully chat up. Flopping onto our beds, she began inquiring a little more seriously, “Do you always go for those type of girls?” I replied, “What do you mean, those type of girls?” a little indignantly. “You know,” she continued, “slim, blonde, really dressed

up with not too many clothes on." I just laughed, but she didn't. Then out of the blue she asked, "Don't you fancy girls like me?" I looked to see if she was joking, and wasn't sure, so flippantly replied, "Well, I would, but you're a brunette and you've got too many clothes on – I mean, that's what I like, isn't it?" I'm rarely speechless, but what she did next left me with my mouth wide open.

She stood up from her bed and silently lifted her blouse over her head. Taking off her shoes and tights until she was only in her bra and skirt, she then began to unhook her breasts. Enjoying the sight so much, it was a while until I finally said, "What are you doing Sal?" Now naked and moving towards me, she looked me dead in my eyes and said, "I think you've been getting me all wrong for a long time now." She mounted me, her breasts inches from my face, and letting her hair down she looked incredible, nothing like the frumpy girl who I always saw. Yanking at my belt she stated, almost angrily, "I'm going to show you what you're missing." My dick was free in seconds, and holding it upright in her hands she ground her crotch against it, like it was her lap dancer's pole.

She then pushed me roughly back onto the bed and held my hands down, dragging her breasts across my face as I tried to lick at her erect nipples. Her entrance was poised above my hard cock and she dipped her lips gently against the tip, causing me to thrust upwards uncontrollably. Each time I did, she teased me by pulling her body away.

I wanted her so badly, but she was holding me down and letting me take her tits into my mouth and it was clear that she wanted to be in control, so I went with it. Her cunt finally slipped over my end with little trouble, as she was so wet, and as she sunk over me she arched her back away so I could see her tits glisten with my saliva. Her bum began to rise up and down faster and faster as she rode my prick with abandon. Shoving three fingers into her mouth, she then took her moist hand and reached around to the crack of her arse, until it was obvious that as she fucked me she was poking her anus.

My length was deep into her, and I was thumbing her swollen clit and parting her lips to watch my erection slide in and out. Lifting up until my head slipped out of her, she left my cock pulsing as she got off her knees and crouched above me. Parting her backside, she lowered her arsehole down, until my cock twitched at her tight rose. This was more than a shock to the system. Pulling my foreskin upwards, she fed me up her tight hole until my swollen head was fully inside her back passage. As I looked at her face, flushed with pleasure, I could barely recognise her as Sally. Taking her cheeks in my hands, I steadily pumped into her, causing her to whimper with delight, her own hands now splaying her pussy and working her own clit.

> **"Shoving three fingers into her mouth, she then took her moist hand and reached around to the crack of her arse"**

I knew that my dick couldn't take much more of this and, pulling out, I watched as she bit hard onto her lip as her bumhole contracted. I shot my wad up the crack of her arse whilst she frigged herself to climax, eventually collapsing naked and soaked with sweat across my chest. She pushed her sweet tits into my mouth one final time, as she finished her orgasm over her own hand.

I looked at Sally, spent with my cum drying all over her arse, and could hardly believe this was the butter-wouldn't-melt girl I had known all this time. She looked up at me, before saying, "I've wanted to do that for years." Bloody hell, I wish she'd told me sooner!

On the Road

Known best as Bella in the soul-sucking, life-worsening series of *Twilight* films – we speak as people who watched the first couple, and even read one or two of the 'books', so we could be 'down with the kids' – Kristen Stewart has also made her name as an actress of repute in some decent films. She was ace as Joan Jett in *The Runaways*, sweetness itself in *Adventureland* and revealed glimpses of the hot body beneath the clothes in *Welcome to the Rileys*. But it's as Marylou in the recent adaptation of Jack Kerouac's *On the Road* that she's finally come of age as an actress. In other words, she's finally shared her tits with the world. *On the Road*? PEAK PRACTICE!

I'm nearly thirty, and it's true what they say about women reaching their sexual peak around this age. My latest boyfriend is a few years younger than me and he's absolutely insatiable as well. He seems to want to please me at every opportunity, and begs me to tell him my wildest fantasies whilst we make love. One night I blurted out that I wanted to get fucked by two men at the same time, and then briefly panicked knowing how offended my old boyfriends would have been at the thought of sharing me. Anthony, however, seemed more turned on than ever, instantly filling me with his spunk as he urged me to keep talking dirty.

For the following week, he kept reminding me what I'd said and how he'd love to make my fantasy come true. When it came to Friday night, he told me that his mate Ethan was coming over to watch a video, rather than going out like we normally do. I knew what was going on straight away, and made sure I looked good when he arrived.

As we all sat down together on the sofa, no one said anything. However, I was sat right in between both men and my heart raced with excitement. Anthony pulled me in close for a kiss, and as I craned my neck around to meet his lips I felt a hand gently place itself on my hip from behind. With my tongue halfway done Anthony's throat, my skirt was being unzipped from the back and my panties pulled down. I then felt Ethan's tongue at the crack of my arse and shuddered against Anthony as he ran it up my spine.

Ethan dragged my skirt down past my knees, until I was on all fours on the couch, my bum exposed to him whilst I snogged Anthony. The instant Ethan's tongue hit my snatch, I almost bit Anthony's lip as I spasmed so much. My slit was tight together between my closed thighs and instead of parting my legs he foraged with his tongue inside my pussy lips. His hands were pulling my arse cheeks apart, and he began to work his tongue over both entrances in long luxurious strokes.

I pulled away from Anthony to see him grinning at me with excitement. I couldn't smile back, however, as I was already wide-eyed and panting from the tonguing I was receiving from behind. Instead, I hastily began pulling his flies apart to get at his dick, which sprang out rigid the instant I pulled his boxers down. Without even taking it in my hand first I sunk my lips over the swollen end. I knew this cock so well now that I was determined to suck it off the best I could. I kissed the tip, my mouth slightly open, flicking my tongue under the foreskin and then began to work slowly down the shaft until I was deepthroating him as I knew he liked it. My legs were now wide apart, and Ethan's mouth was wide around my cunt, strumming my clit with his tongue. This felt like a sixty-nine that I had never experienced before as there was an extra hand on the back of my head and one groping my tits.

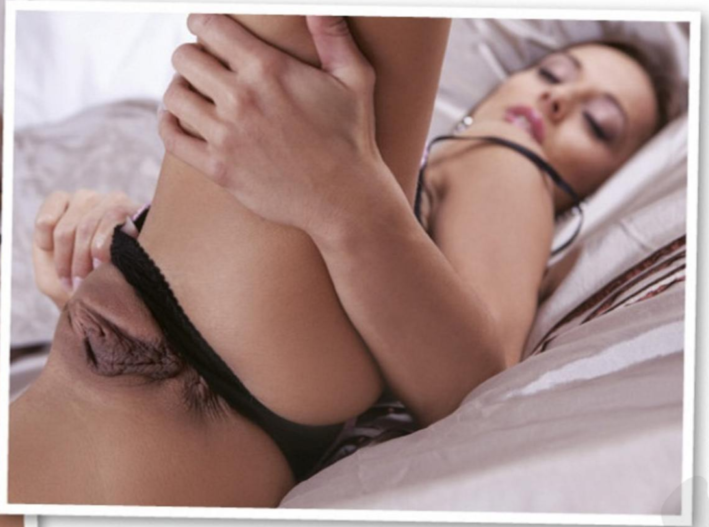
It then became a really new experience when I felt the head of Ethan's prick nudging at my twat, which was dripping from the licking he'd just given it. However, still with a mouthful of cock, I reached underneath to splay my pussy and his whole length slipped deep into me in one smooth movement. I had to pull my head up slightly from Anthony's dick to catch my breath as I was treated to the hardest doggy style fuck I had ever experienced. The rhythm he had created was perfect and my cunt was responding, taking him balls deep inside me.

Glancing up at Anthony I could see his devilish smile as he stared intently at his friend's cock pounding my hole. His dick was pulsing at the sides of my mouth, so I pulled him out of me and panted, "Kneel in front of me," in between my low grunts and moans.

My moans were soon quietened again, as I took his dick head back into my mouth. Sandwiched between two men who were both thrusting their cocks into me was every bit the fantasy I had imagined! I felt a wave of pleasure rush through me, and my eyes glazed over as I climaxed with abandon over his shaft. With one long thrust, Ethan's spunk was delivered into me, timing his orgasm perfectly with mine. Pulling my hair back, Anthony took his dick from my mouth and wanked it in front of me, my mouth open and ready like a total slut. I had never had it sprayed over my face before, but was now ready for anything as I was still shuddering from cumming myself. I extended my tongue and his jizz covered it in seconds, with the final jets covering my chin. This was the dirtiest I'd ever felt in my life, but I was loving every minute of it, and took him back in my mouth to clean every last drop from his still twitching dick.

I was so grateful to Anthony for allowing me to indulge my fantasy, that I insisted he told me his. Replacing the other man with a woman? Well, I could hardly say no

> **“He took his dick from my mouth and wanked it in front of me, my mouth open like a slut”**



to that, could I?

FIRST FANNY!

Twice a year, a whole group of us go away to stay in a cottage for a weekend, and generally eat, drink and relax. It’s mostly a load of couples with a few of our close single friends. Until the last time, I was always in one of those couples, but I had managed to split up with my boyfriend after we’d booked to go! I was determined to still go away, and agreed to let one of my mate’s friends from work, Sharon, share a room with me.

When I arrived, she was already in our room. She was, however, just what I needed to take my mind off being away alone for the first time. Within minutes she’d opened the first bottle of wine of the night. Plenty more followed, and when everyone else had finally sloped off to bed, we went back to our room and sat on our beds, giggling and chatting like two silly schoolgirls.

I eventually began to get changed for bed, slipping out of my cocktail dress in front of Sharon, whilst she kept me laughing with stories of her own previous boyfriends. I was now stood in front of the mirror in just my bra and G-string, and had forgotten all about my ex, until Sharon suddenly asked, “So, you’re saying that your boyfriend left you?” Unsure of where this was leading, I replied, “Yes, unfortunately,” only for her to continue,

"Unfortunate for him, that's for sure."

I turned to offer a thank you smile, only to see that she had got up from her bed and was walking towards me. As we made eye contact, she asked, "You've been with a woman before, haven't you?" I hadn't, but for some reason answered, "Err… yeah, but not for a while," my heart almost leaping out of my chest. Before I could even think of stopping it, Sharon had placed her hands on my hips and was gently kissing my neck, whispering, "It's time we had some real fun."

She ran her palm down to the top of my knickers. I could feel her nails lightly scratch me as she went inside them, her fingers stroking through my pussy hair. She tweaked at my clit, causing me to spasm against her. I wrapped my arms around her neck as she found my entrance and forced her middle finger into me. Knuckle deep, she then peeled my bra from my shoulder and placed her soft mouth around my nipples.

> **"Dropping to my knees I parted her lips with my thumbs and flicked my tongue inside her"**

Carefully easing me back on my bed, Sharon peeled my knickers down over my blatantly quivering thighs and, as she parted my legs, I took a sharp intake of breath. "Are you sure you want this?" she questioned. My tentative nod was the green light for her to drop her head right into my lap and take a long stroke of my pussy with her tongue. With her hair draped over the top of my thighs and my pelvis, I began to lose myself as Sharon licked my clit incredibly quickly, but ever so gently at the same time.

Unconsciously, I had raised my knees up, and was gently thrusting my mound into her face as she virtually French-kissed it. I had never been given it like this before, and she was already not far from making me cum. Raising her head up slightly with my palms, I motioned with my head for her to come and kiss me. She was an incredible kisser, and I could taste myself on her as she tongued me passionately.

I knew that I needed to taste a woman for the first time myself and said, "Let me do the same to you." Without hesitation, she stood up, her legs either side of me, pulled off her panties, hitched up her dress and turned around, giving me a full view of her arse and shaven cunt.

Dropping down to my knees, I parted her lips with my thumbs and flicked my tongue inside her. She responded by going back down between my thighs, the sensation from before returning immediately. Her pussy tasted better than I could ever have imagined, and with my own hole now being fingered rhythmically, I was taking my tongue from her twat right round to her arsehole whilst I pulled her cheeks apart.

Working her clit with my tongue, I was thinking of everything that I love myself, and doing that to her. Soon, my moist finger was working inside her bumhole and, as I did this, Sharon's mouth quickened over my clit and she forced her third finger into me. My middle finger had now virtually disappeared up her chute and my other hand worked her clit, all the time my tongue roaming over her cunt. This was the most intense sixty-nine I had ever experienced, and with my finger still in her back passage, Sharon's thighs suddenly tensed and she dropped further onto my face as she began to orgasm. Open mouthed, I let her grind her juices against my tongue and lips, and within seconds I was covering her fingers with my own come, my shuddering legs bouncing off the bed.

Our climaxes seemed to last forever, and we must have stayed between each other's legs for almost ten minutes afterwards, kissing and tonguing until we were both totally satisfied. That's something my ex would never have done! In fact, maybe I should tell him just what he's missing?

NATALIE ♣

Definitely not Natasha, or Natalia...

This issue has been pretty confusing, if we're honest. Whose stupid idea was it to have a Natalie, a Natalia and a Natasha in the same issue? It had led to all sorts of mix-ups. On the plus side, it's allowed us to deliver one of the most kick-ass line-ups of *Club* girls in living memory. Natalie here (we think it's Natalie!) has got a simple system for us:

"I'm the American one, it's that simple," she says. "The other two are Brits!"

Yeah, thanks a lot, Natalie. We wouldn't really call that a 'system', but ta... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

BONING!

There's a reason for all those excellent Swedish TV dramas that we watch in the UK – those Swedes are nuts. Police recently investigated a 37-year-old woman's apartment after reports of a firearm being discharged. On entering, the cops discovered over 100 parts of skeletons in her home, as well as pictures from a morgue, body bags, photographs of her licking a skull, and a CD entitled 'My Necrophilia'. She claimed to be collecting the bones for 'historical research', but the documents they found that detailed how to have sex with the dead might weigh against her. Christ, it must have looked like Ray Harryhausen's workshop in there!

The photofit was remarkably accurate.

CLEAN SWOOP!

We're familiar with stories of foul burglars breaking into houses, ransacking the place and even shitting on dining tables or on pillows. But how about a housebreaker that leaves things in a better state than they were in before? Susan Warren of Cleveland, Ohio, recently pleaded guilty to charges of attempted burglary after the 53-year-old broke into a house, washed the pots, took out the bins, dusted and vacced. She then wrote out a bill for $75 on a napkin with her phone number. In mitigation, Warren claimed that she ran a cleaning business and occasionally cleans homes uninvited. Now that's what we call entrepreneurial spirit!

Did she dust for her own fingerprints?

PIZZA HIT!

We've all waited in for pizza delivery, wondering if our Mighty Meaty has gone cold in the 40 minutes it has fucking well taken. But what if you get a pizza you never ordered? Delivered via a car? Through the front of your house? That's what happened when William Kise drove his Mustang into the house of a married Indianapolis couple recently. 41-year-old Kise caused $30,000 of damage to the house, but didn't hurt the homeowners or any of their 4 kids. Kise admitted to drinking 5 beers, and had spilled Tabasco over his trousers. But the real bit of class? As he emerged from the car he'd just ploughed into their home, Kise turned to his victims and said, "You want some pizza?" Sadly, he'd already eaten it all…

A good face for pizza delivery!

INDECENT PROPOSAL!

Throw in a Bounty, love, and you've got a deal!

We've bought some right crap on eBay, but we can't believe we missed out on the auction for Brazilian babe Catarina Migliorini's virginity. The auction of the PE student's maidenhead reached $780,000. A Japanese man known only as 'Natsu' won the right to sleep with her, and the deed itself will take place in a plane flying between Australia and the US in an attempt to sidestep prostitution laws. "If you only do it once in your life then you are not a prostitute," said Migliorini. Spare a thought for her male counterpart Alex Stepanov, who also auctioned his virginity (although how could you tell?). He got 3 grand. ♣
